SUMMARY

I am a results-driven professional with experience working on production applications and improving user experience. I focus on delivering high-quality work and collaborating with teams to meet deadlines.

PROFESSIONAL EXPERIENCE

Superstars Co, USA - *Software Developer Intern*

December, 2025 - April, 2026

- Improved production app UI/UX and core features, contributing to a smoother user experience and reduction in UI-related issues.
- Resolved critical production bugs, increasing app stability and reducing crash reports.
- Built scalable features using Flutter, Dart and BLoC, aligned with CI/CD workflows.
- Collaborated with cross-functional teams to deliver timely feature releases on App Store and Play Store.

GrabTheSite, India - *Mobile Application Developer*

February, 2023 - February, 2024

- Developed multiple apps with responsive UI and backend integration using REST APIs, Firebase, SQL and WebSockets.
- Implemented scalable architectures using BLoC, Provider and GetX.
- Delivered client-specific features including PDF invoice generation and real-time functionalities.

PROJECTS

Portfolio Website (https://github.com/shivamsavaliya/shivam_portfolio)

- Built a responsive portfolio using Flutter, Dart and Supabase, showcasing projects with dynamic data integration.
- Designed a clean, user-friendly UI with optimized performance across multiple screen sizes.

Gemini AI App (https://github.com/shivamsavaliya/gemini_app)

- Developed an AI-powered app by integrating Gemini API (without SDK) using BLoC for scalable state management.
- Implemented real-time query handling and efficient API communication for fast, reliable responses.

SKILLS

Languages and Frameworks: Dart, Java, Flutter

Databases and Tools: Firebase, Supabase, SQL, Git, Android Studio, XCode, Postman

Professional: Team work, Problem solving, Quick learner

EDUCATION

DePaul University, USA

Masters in Computer Science

September, 2024 - June, 2026

Silver Oak University, India

Bachelors in Computer Engineering

August, 2020 - May, 2023
